

79 thunderbird runs and drives (1000 USD)

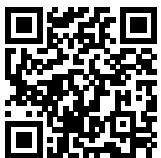

Location Mississippi
<https://www.genclassifieds.com/x-438952-z>

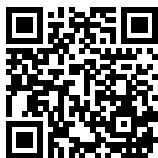

I have a 79 thunderbird that runs and drives. It has a 302 in it with a c4 transmission. The car is not rusted out. It has many new part from the gas tank to the distributor. The body is in good shape has a little damage to the very front passenger side. I can take you for a test drive.
