1986 suzuki cavaclade gd1400 runs and rides great needs a little work nothing major
 The good get on it bow ride to california but it needs a front tire there is a seal leaking oil i have ordered the seal and i am putting it on 5/21/15 so the oil leak stops all it will need after that is a tire. Has after market radio sounds decent aux port to plug in your phone has harley mufflers and handle bars few scratches and scrapes here and there but not bad for a 86 it floats down the interstate at 100mph smooth as butter with me and my woman on it just need money to get bills caught up dont wanna get rid of it i got no choice \$2500 but cash talks need gone as soon as posible if you buy prior to me fixing the gasket leak i will still pay for and instal it for
