My roommate is moving out June 1st (he can be out a few days early, text me and well see what we can do) and we have 1 room available for sublet, rent will be 400 a month. Apartment comes fully furnished and is move in ready.

Monthly rent includes all utilities, that includes WI-FI. Apartment has locking food cabinets, locks on individual doors as well as A/C for those warm summer months. Apartment is located across the street from Boise State University campus, perfect for summer classes.

REDUCED RENT: Rent is technically 450 each month however we will leave you with one hundred dollars and pay your transfer fee! This is a fantastic deal because you get our \$100 security deposit back when you move out. Thats 400 dollars in savings for you!

Please contact me with any questions you may have after reading this post :)
