We are a commercial and residential service based company with an outstanding reputation serving management companies for over 20 years. We are based in Oak Brook Illinois and operating from Addison Illinois

As a Phase 2 Services representative, you will have the opportunity to represent a medium sized service company servicing the commercial and residential Chicago metropolitan and suburban areas. We provide Carpet Cleaning, Pressure Washing, Fleet Washing, Tile and Grout Cleaning, Fire/Flood/Water/Mold restoration and reconstruction and many other services.

We at Phase 2 Services are more interested in finding a good person rather than finding someone with experience.

So, that is why we have a paid training program. Almost all of our projects are pre-quoted and you will simply drive to the site and perform the service. You will not have to up sell anything to be successful here.

We are a 24/7 service company. Even though the majority of your job is scheduled Monday -- Friday, you are responsible for being available 2 nights a week and 2 weekends a month.

All you will need to be a part of our team is:
