Hi,

I'm looking for somebody to help clean a newly moved into apartment, you must be detailed oriented

Mainly need help cleaning the bathroom and kitchen cabinets (which are very bad), and perhaps some unpacking; depending on how you feel, lots of other possibilities...

I'm assuming a minimum of two-&-1/2-hours, with the possibility of a longer time, depending on how time you feel like spending (there much to do...)

Anytime after noon on Sunday would be great, it's up to you

Cleaning supplies will be provided
