(Rage and Kosmo)

Hey, True Believers!

One of my names is Robin Rage. I'm a guitar player, singer/songwriter, and a free lance writer - I have May's cover of the Bollard (thebollard.com + Robin Rage) and I had last Novembers as well. I'm a streetnik and a social activist and damn, I love playing music, and Kosmo and I have a lot of great originals (check us out at turnstyle thursdays at CTN on Congress), but, we're both guitar players. Kosmo Kabir Braheem is a Wellness Coordinator for the Holistic Recovery Project, a streetnik, recovering addict, teacher of falun gong, and a smoking guitar player/singer, We're looking for closet/living room musicians who just want to get together for a casual, fun, no-stress jam. All ages and instruments are encouraged to reply.

Let's play and have some fun this summer!

(Come on, you. Don't be afraid , or, even if you are, take an action, cuz life is so short!)
