Leaving very early Monday morning 05-18-15. I would like to be on the highway by 5AM but exact departure time can be discussed. BVT arrival expected before 9AM. I have room for one and small luggage and/or packages. Offering a ride to points South out of ME via 95 thru Portsmouth, NH to exit 2 then North to Manchester, NH via 101 to Concord/Manchester, on to 89 thru White River Junct. and on to Burlington, VT. I'm willing to drop you off within reasonable distance along that route.

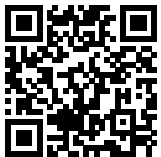

I'd certainly appreciate a donation/contribution for gas/tolls.

Welcome!
