It would be my pleasure to help you with arrangements and the organization for your perfect wedding day. Be it helping with organization before or being with you the day of the wedding to help make sure everything goes off perfectly. Why not let someone else take care of the many details?

I have a Masters degree in counseling and a paralegal degree and background, and am a professional organizer and personal assistant.

My rates are low, and it would be my absolute pleasure to be of assistance. Why not glide through what can be a very pressured time. There's no reason everything shouldn't go off perfectly. Let this day and time be your happiest, not your most hectic!

I look forward to hearing from you, here's to your most perfect day!
