The Tree House Kids is a new in home daycare that is now accepting applications. I have 12 years experience, and recently moved to Greenwood. I offer a variety of preschool and learning activities that support your child's cognitive and physical development. I am also working towards state certification, have ample amount of training, and have a Certified Child Development Associate. I am also close to graduating with a degree in Public Health, and a mother to a wonderful boy. I'm so passionate about teaching and taking care of children and love what I do! Call or email for more information!
