My 2 friends and I are looking to get paid for yard work/labor anywhere in Laconia. We are teenagers that are just looking for some money. Job depends on the cost. Our phone numbers are below. Call the numbers in this order if you do not get a response from first person. We do not have our own supplies so in order to do the jobs, we would have to use your supplies.. (Lawn mower, exc.) Mostly available on weekends and possibly available on weekdays but really depends on what we have planned due to school.

One of our workers doesn't have a phone number.
