I have 5+ years experience in various fields relating to gardening, farming, and labor related fields such as carpentry, masonry, and more . I like to be a well rounded handyman and enjoy learning new things everyday . I'm experienced in pruning, garden design, garden bed construction, soil building and more . Need a veggie garden built ? Or need any type of help in your yard? I also do demolition work on old structures, build fencing, etc.

I live in Epping and am a graduate of UNH.
