

# Lost cat (Holly springs)

Location **North Carolina**  
<https://www.genclassifieds.com/x-439494-z>

Lost our cat on Sunday 5/10/15 around 8:30pm in the Main street square apartments parking lot across from wal-mart in Holly Springs. She is very friendly. Her name is Lilly and she might be scared and nervous to come out of hiding but will not bite or scratch. Very loving and affectionate. Please contact us if you see her. Reward if!
