

in search of barn cat (knightdale,nc)

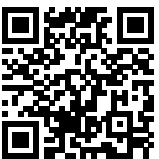

Location **North Carolina**
<https://www.genclassifieds.com/x-439496-z>

We are searching for a good barn cat to add to our farm. Would be the only cat, we could add one more later though. it's a very relaxed atmosphere, no dogs to chase them. Just hanging out in our barn and catching the occasional mouse. Would be well taken care of. please call or text if.
