

Got Ink Want to get noticed

Location **Maryland**
<https://www.genclassifieds.com/x-439525-z>

Modified Bodies, alternative modeling agency, is looking to meet you.

We're not looking for barbie dolls, angels, or the girl next door. We're looking for awesome and unique women who aren't afraid to express them selves. We are a small agency/management team looking to represent only the best of the DMV area's Alt scene. If you think you have the look and drive to be the best we'd love to talk to you.
