I'm an adult photographer seeking open-minded females for adult shoots in the Southern ME area. The shoots can be for private collection and not displayed on any websites. Perfect for college types who don't want exposure. Very discreet and no model paperwork needs to be signed. All shoots are paid \$\$\$\$. If interested send recent pics and modeling limits. Willing to share content & develop portfolio to land more paid work! Great way to earn extra cash. 18+ serious replies.
