Due to a rash of bad luck, I find myself homeless which is bad enough, but even worse for my dogs. I was hoping that by some miracle I would find a place to accommodate them and me which didn't happen. In any event, I have five Jack Russell Terrier/Chihuahua mixes ranging in ages 3 to 12. The males are neutered. They are a hearty stock and dreadfully loyal. I post this ad with a heavy heart. I will find some pictures to post soon. .
