GYPSY IS MISSING !!!!!!!!!!! Please PLEASE HELP US FIND HER!!! We love and maiscountyextremely bad we can't sleep at night knowing she's out there without her mommy and daddy. I left her with Julie packer in the trailer court on Linden in caldwell. She gave me her word she would take care of her while I served a week in County and I've been told she sold her to some one on a farm or ranch but this is only rumor and I've been told that she got out of Julies yard but nothing that this woman says can be credible so my wife and I are asking that anybody who has any information on her where abouts please please contact us at 800-4359 any time day or night with any information on her whereabouts. We are good Cristian people that are in complete turmoil without our baby girl. She is one year and five months old, she is light blonde in color and has a white heart shaped blemish on the top of her snout. She also is wearing a pink collar with white paw prints on it. If called by name she will come, She is extremely friendlyand energetic so please please if you see her call me or text and please help bring our baby home. We are also on Facebook Groups, fidofinder.com, treasure valley lost and found pets, and canyon county animal.
