Hi i have a 2007 Ford Taurus With 127k Miles, Clean Title, 2nd Owner Since 2008 Had 11k On It When First Purchased.

I have had the car for 7 years now and she has been a daily commuter from Hudson to Eagan MN 5 days a week for work, i now have purchased a new Vehicle and no longer need the Taurus.

Mechanically the car is in excellent condition, drives perfectly smooth, zero rust new tires less than 10k miles, always had regular maintenance oil changes, brakes etc. car has new tires, alternator ,battery, zeros leaks or squeaks, some scraps on the body above the passenger side door, interior has some marks and would need a bit of cleaning but nothing extreme, car is a great daily driver and gets great gas millage, not looking for trades just cash sale, call text it
