Honeysuckle, Bush, and Hedge Removal (Columbia, IL)

Location **Missouri** https://www.genclassifieds.com/x-439667-z

"Jim-Jim-Jim the honeysuckle man. . . If you've got honeysuckle, he's got a plan"

Honeysuckle has taken over our woods, it is destroying our natural habitats, and is forever transforming our natural landscape. Give me a call if you are struggling with honeysuckle on your property. With old Bertha (my handy red truck), I can pull honeysuckle out by the roots--- the ONLY way to truly ensure it will never come back!

See below for pictures of what old Bertha did to a tree in my back yard--- She didn't even flinch! That's because she has a 20,000 pound custom winch!

No job too big or too small. I also do bush and hedge removal!

I am reasonably priced. Call for service estimates.

Let me know if you are interested. Thanks a lot for viewing my posting! --Jim SORRY, I don't text. Just give me a call and leave a voicemail!
