Hello!
 I have to move closer to work so I need to end my lease early, and find someone to start a new lease in this apartment!

Please pardon the mess - my apartment is usually very tidy :)

Apartment details:
 \$800/month rent
 1 bed, 1 bath on second floor
 700 sq ft
 Washer/Dryer in unit (new!)
 Updated before I moved in in December 2014
 Central air and heat
 Water/sewer/trash included
 Cable ready
 Bedroom fits queen bed very well, and the closet is very wide!
 Extremely pet friendly!
 Parking free on street, or in gated lot for \$25/month
 Secure building, secure parking lot (both have keypads)
 Granite countertops in kitchen and bath, new tile and vinyl-wood floors

Elevators in the building

It is a short walk to Forest Park - Historic Garden entrance, and the Metro
 development building at the Balivier. It is a small neighborhood situated between Wash
 Central West End in Saint Louis. It is extremely safe and fairly.
