Hello!
 I have to move closer to work so I need to end my lease early, and find someone to start a new lease in this apartment!

Please pardon the mess - my apartment is usually very tidy :)

 700 sq ft
 Washer/Dryer in unit (new!)
 Updated before I moved in in December 2014
 Central air and heat

 Bedroom fits queen bed very well, and the closet is very wide!
 Extremely pet friendly!
 Parking free on street, or in gated lot for \$25/month
 Secure building, secure parking lot (both have keypads)

Elevators in the building

It is a short walk to Forest Park - Historic Museum entrance and to Metro
 The apartment building is in the Balivier neighborhood, a small neighborhood situated between Wash
 Central West End in Saint Louis. It is extremely safe and fairly.
