Why do you think the liberal machine is unconcerned that no one wants corrupt power hungry Hillary as president?

The election has already been bought and paid for, it went to the highest bidder.

When Billary Clinton said he needs to keep getting paid \$500,000 for five minute speeches from the elite anti American rich here and around the world to pay their bills, he wasn't joking.

The left is not worried, the election is already in the corrupt greedy bought and paid for bag.

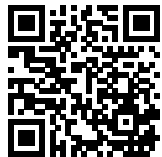

Dirty Harry stole his last election, Obama stole his when all polls said Hell no, come on, except the inevitable.

I would suggest you have lot's of ammo and a good selection of fire arms after Hillary steals the next election that she should legally have lost. We will soon see the end of America, as the corrupt criminal, Hillary supporting voters will be encouraged to loot, kill, rape, steal, primarily targeting white Jewish & Christian Americans, just as Obama is currently doing here and around the world.

The end goal of liberal regressive left wing Democrats has always been the end of America, our

constitution, Christianity, the Bible, and especially the Jewish state of Israel (at all costs). A one world government run by the same old world, is what the support is for here in America, but not in the Jewish state of Israel. But the liberal machine is already in the bag.

But it all has to happen as foretold in the Bible thousands of years ago by God, Jesus is coming back to rule over the Christians & Jews as they have already begun to do. But these killed Christians and Jews will be coming back with Jesus the Christ to rule and reign for ever a great multitude from every nation that can not be counted. The promised vengeance of God and His righteous long overdue judgement on corrupt God rejecting mankind will fall on all that have rejected the kingdom of God and His righteousness provide in Christ through his son Jesus the Christ, our savior.
