Starting July 1st I will have openings for all ages and times! Affordable rates, flexible payment, healthy meals and snacks, and lots of fun!!! I have studied about child development and psychology for years and am always learning more. I believe enriching our children and nourishing their minds bodies and souls is the most important thing we can do as caregivers. Children are my passion and I'm excited to begin working with them again! Please email me as I would love to get to know you and your little one(s) and be a positive influence in their!
