Hiring someone at 10 an hour to help move boxes, sweep, and more (Garden City)

Location **Idaho** https://www.genclassifieds.com/x-439795-z

We've moved recently and garage is cluttered with boxes from our home based business. I am hiring someone at over \$10 an hour to help move boxes, move items from garage to storage shed, pick up items on floor, sweep, etc.

I'm thinking \$40 for 3 hours? I'm a laid back person and you'll just have to follow simple directions.

You will get free food and drinks out of it if you like. I'll provide a new dust mask and disposable gloves though the area was cleaned two weeks ago except we brought in over 40 boxes this past week so it's disorganized.

Please be able to lift 50 pounds. I'd like to find someone today or tomorrow. If it rains, it won't be outdoors.
