

Turtle wanted (Southern NH)

Location New Hampshire

https://www.genclassifieds.com/x-439809-z

I am looking for a turtle! Preferably mud or musk. I do not want a turtle that is only aquatic, it is a present for a teenage boy who will want to see him be active and a fun pet! Willing to pay a rejoining fee. Preferably would like the turtle to come with a habitat/ filter and a heat lamp but if not that is okay.

Please contact Elizabeth.

Thank:)
