Kittens for Adoption (Henniker)
 Four ADORABLE kittens for adoption. NO ADOPTION FEE

Seven weeks old this Friday. Two Tabby (one male one female) ...One all black (male) and one black with white paws and chin (Female)....Pics avail upon request.

Serious inquiries only! All we ask is that they go to GOOD HOMES and be well provided for!!

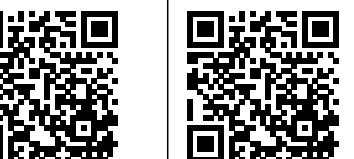

They have been raised with children, other cats and Three large dogs....so very personable (all love to cuddle for long periods) with both people and animals. Absolutely adorable!!

Trying to find homes quickly...as our other cat has shown signs of being pregnant....they were both scheduled to be spayed when their pregnancies occurred! Oh well...thats just one more ray of sunshine we can bring into your life before they are! So please don't despair...if these four go quickly...we will be sure to have four plus more in the coming weeks that will be available!

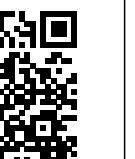

Contact via email and PLEASE PROVIDE PHONE NUMBER that I may reach you back on!
