

Oceanic Trickle Filter Model 75 (Deerfield)

Location **New Hampshire**  
<https://www.genclassifieds.com/x-439811-z>

Have a used Oceanic Trickle Filter model 75! Has all the tubing and a ton of bio balls! Don't have pads for it though! No cracks! Just don't need it! Your tank needs to be drilled or you would need to drill it to use this! Was used prior to me on a fresh tank and I ran it on an empty salt for a month! Priced to sell fast! Text please!
