Hi, I am a 26 year old female, currently living in Scarborough. I am looking to move in sometime in June until September or October. Then I'm planning on doing a road trip across the country and ending in Florida where I'll stay for the winter... just can't do the snow anymore! Looking to pay up to \$500 or \$600 (including utilities). A little about me... I have a 10 pound Maltese mix, who is house-trained, hypoallergenic, and very mellow. I am very active, always outside, hiking, running with my dog, traveling and exploring new places. I work for Preble Street with the homeless community. On the side I make repurposed jewelry, fix up old furniture... anything crafty! I tend to keep to myself at home (and am usually pretty busy), but enjoy occasionally cooking dinner or going out for some drinks with the house mates. I keep the common areas very tidy, pick up after myself and do my dishes.

Please call / text or email me.

Thanks!
