Hi y'all! I am looking for a short term place to stay in Portland from June 1st to 20th, ideally weekly rental. I currently live in South Portland and my lease is ending May 31st but I will still be working in Portland up until the 20th of June. There's already someone else lined up to move in June 1st otherwise I would have stayed put!

I am a 23 year old female and I am very laid back and get along with mostly everyone I meet with :) I love downtown Portland and now that it's getting warmer, look forward to exploring more of the museums, restaurants, pubs etc. Please get in touch with me if you have something that fits what I am looking for. I am pretty flexible and open to any other possible arrangements!!
