

# student seeking interview with transgender (United States)

Location

Missouri

<https://www.genclassifieds.com/x-439902-z>

I'm a student writing a research paper on gender identity disorder and looking to speak with a person in the transgender community or someone in the process of transitioning for my research. Completely anonymous if fine, I just simply want to learn and understand your journey. We can communicate through email or phone whatever is easiest. Thanks so much. Please only serious responses, this is not a.
