I have a small office on Lafayette Rd in Hampton NH. Separate utilities, and has a half bath (toilet and sink) Great space for a contractor, designer, writer, student or other to use as an office - at this price - it's worth paying to not have the distractions that you have in your home.

Offstreet parking, of course.

Easy walk to the old salt, downtown Hampton, the galley Hatch, FlatBread Pizza, Hannaford, a number of banks, etc.
