

# Fill in LawnLandscape (Newmarket, NH)

Location

**New Hampshire**<https://www.genclassifieds.com/x-439997-z>

Looking for landscapers or excavation company that can fill in dip current in lawn, and level off and seed. I'm not looking for a picture perfect job, just want it leveled off so it would stop flooding from the road, and the lawn would be somewhat even. Please look at pictures, and provide quote or drive by property on Elm St Newmarket across from Town Garage at Cemetery.

Please provide Estimates and Possible Start and Completion
