One bedroom apartment now available. We are looking to lease out this corner unit. Because it is a large part unit, you get usage of the end of the balcony, which you'll want to change into your own personal little space. It overlooks a nearby park, so the views are scenic. The bedroom and living areas are spacious. The bathroom is simply not associated with the bedroom, so it is ideal to host guests without an intrusion. In case you are interested in having a tour, then please email us today.
