

SeamstressDressmaker Wanted for Occasional Commissions

Location **New Jersey**
<https://www.genclassifieds.com/x-440104-z>

Looking for a dressmaker/seamstress who can work with me to create one-off items based on sketches I provide, or altering existing pieces. This would be on a once-in-a-while basis (good results are likely to lead to subsequent commissions). Note that designs may have fetish and/or crossdressing elements - you must be comfortable with this.

See images for examples of sketches and previous items.
