I am looking to have my 1978 MGB painted. If you are unfamiliar with MGB's it is a small 2 door convertible. I have all the body work done and will be removing all trim, door handles, headlights, tail lights, windshield and badges. If the car needs to be bare metal before it is painted I can bring it down to bare metal. I am looking to have it painted in British racing green (I can supply paint if needed). Please let me know how much you will charge. I will deliver it to you on my.
