

# Seriously Looking for a Dominatrix or Dominant Female (Central New Jersey)

Location **New Jersey**

I'm a male in my early 30's who is hoping to find a Dominatrix/Dominant female on here.

Looking to have sessions either once or twice a month. One of my main interests is "sissy training" I must say.

Please feel free to email me, so we can discuss everything.

NOT Looking for.
