Location **North Carolina**

I will have a 17' x 11' master bedroom available for rent for two months this summer (from June 1st through July 31st). The room has a private bathroom and comes with a bed, desk, and two chest of drawers (see pictures). The total rent (utilities included) is \$575. (A \$250 deposit is also required).

The room is one of three bedrooms in a two-story townhouse (see attached pictures). The townhouse is in Auburn Square Village, located just a few miles north of Southpoint mall and I-40 (exit 276). I've really enjoyed living here the past year or so and think both the apartment and area could be a great fit for any commuters to RTP. I've worked for a couple of software start-ups in RTP and have appreciated the quick commute and easy access to Chapel Hill, Downtown Durham, and anything else along I-40.

A few perks of the location:

- * Wireless internet, cable, washer and dryer (in apt)
- * Generous kitchen, comfortable living room
- * Quick access to I-40. Easy commute to RTP, Chapel Hill, or Downtown Durham.
- * Southpoint Mall, American Tobacco Trail, Grocery Stores less than 5 minutes away.
- * Community swimming pool

Take a look at the pictures and let me know if you'd be interested in meeting up to see the place - thanks!
