Get ready to have a good spring!!! Im a very affordable mobile mechanic willing to solve your problems at a pure unbeatable price!!!! I have 15 yrs experience working on cars and my tools are craftsman and snap on! What do it matter? Cheap tools wear and strip easily striping critical nuts and bolts! Im very detail oreinted and KNOW WHAT IM DOING\*\*\*\* I can fix most anything on your car as well as do engine and transmision swaps! If its somthing i dont know...I SAY IT!! like carburators...I dont mess with them other than put them on.. I do feul injections great! Feel free to call me Derek Hayes at

Thank! ! !
