Location **North Dakota** https://www.genclassifieds.com/x-440213-z

Looking to book creative photo shoots. Whether you've had modeling experience or not it doesn't really matter. Not looking for any type of payment unless it's a specific shoot you need done for yourself. Just looking to get out to have some fun and take some amazing photographs of people in the Fargo/Moorhead area. Drop me a line and some contact info if this interests you at all. Most of my work is shot either on film or a full frame Canon DSLR with optional studio lighting equipment. My work can be viewed on these websites.
