

# John Deere 2010 1010 complete Flywheel clutch JD parts (300 USD)

Location **North Dakota**  
<https://www.genclassifieds.com/x-440221-z>

This is a complete flywheel and clutch from a John Deere 2010 I am parting out. This is in very good shape with no known issues and in working condition when removed from the tractor. This may also fit other John Deere tractors but I am not sure what ones. I just parting out a 2010,3010, 4020 row crop tractor, let me know what you need. E-mail me or call Seven-0-one-4Zero3-0752 with questions. NO TEXT
