GenClassificate.com John Deere 2010 Gas Fuel Tank JD tractor parts 1010 (125 USD)

North Dakota Location https://www.genclassifieds.com/x-440225-z

This is a gas tank from a John Deere 2010 I am parting out. This is very clean inside and in working condition when removed from the tractor. This may also fir other John Deere tractors but I am not sure what ones 1010? I just parting out a 2010 row crop tractor, let me know what you need.
