

# New fence Old Fence Repair (harrah,el reno,norman,Edmond)

Location

Oklahoma

<https://www.genclassifieds.com/x-440316-z>

Whether you want a new fence or just a repair no job is to small or to big. If you need pole replacement, I remove the old pole and concrete. I do NOT cut the pole off and sit one beside it. Even if you need to move a fence i will still pull the old.

When you think of your fence think Hickman\_Fence LLC. Quotes are free and all calls an emails will be answered within
