

Free recycling of old computers, PCs and electronics We pick up (Fargo)

Location **North Dakota**
<https://www.genclassifieds.com/x-440414-z>

Do you have old electronics gathering dust and taking up space in your home or office? Are you getting ready to move and don't want to drag this old equipment with you? Not sure what to do? We will haul them away for you for FREE working or not! No job too big or too small. We specialize in computers and other electronic recycling as well as secure data destruction of any information left on hard drives. ALL FREE.

This includes old unwanted network equipment and cabling (We do not accept tube TVs or CRT monitors).

Don't let this toxic stuff pile up in our landfills by trashing it, recycle it!

Just email through this ad or text for fast and professional pickup.!
