This is a VERY CLEAN 1997 DX II ski boat, the DX II being an all-out, all-event towboat built for serious and competitive watersports. The traditional closed bow three-event configuration puts driver and skier first and offers secure gear storage in the bow and stern lockers. Acceleration, throttle response and steering are everything a tournament driver could ask for, and the slalom wakes are world-class. The DX II also provides the best barefoot wakes on the water.

This quality tournament ski boat has been cared for both mechanically and cosmetically -- and it shows!!
