Hello all, Due to unforeseen circumstances (not a fault of the Pup or Owners). have had a Pup returned to me. She is 6.5mos old and Big and Beautiful; She will be a larger girl therefore, I will not let her go to Apartments or in town without a Fence!! Her ideal home is in the Country. She is Strong and Beautiful! Also, She is great with Kids and other Dogs/Cats. She needs a home where she will get the proper training and attention she needs/deserves! If you think you would be a great home and family for this Loving and Snuggly girl, Please feel free to text or call me anytime with information on what kind of home she would be in? Where you're located? Others Pets? How long will she be left alone? and anything else you would like to tell me!! She does have a Rehome Fee of \$150.00! Shots and.
