

# F lab catahoula mix

Location **North Dakota**  
<https://www.genclassifieds.com/x-440469-z>

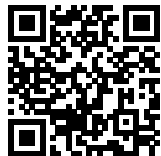

One year old. 63 pounds.  
 Fixed earlier this year.  
 UTD shots. Vet records.  
 Good with other dogs. Barks.  
 OK with cats. Chases a little but doesn't touch.  
 OK with kids. Maybe she would be better with older kids? Not a wrestling toddler...  
 Comes with kennel, bowls, bag of current dog food, and treats.  
 She needs more attention/patience then we can give with 2 small children. We want to find a good loving home.
