I need childcare starting ASAP Right now it would be a 6 year old girl and twin boys that are 4. June & July it would be just the twin boys. The days will always be the same but I am a server so the ending time could be different on certain days. I am a single mom and don't have many options so this person must be reliable and patient and willing to do activities with them. The TV is not the babysitter :) These are the days that I need

Sundays 8am-4pm
Tuesdays 4pm-1130 (latest could be early as 830)
Thursdays 4pm-1130 (latest could be early as 830)
Fridays 4pm-10pm latest could be as early as 830
Saturdays 4pm-1230 (latest could be early as 830)

If you are interested please email me back with experience and a little about yourself and how much you would charge for the 3 kids and then the 2 kids MUST BE PER HOUR I am a single mom and this is for my second job so please get back to me.
