

# Established online clip store needs 18 Female models (Ohio)

Location **Ohio**

An established on-line clip store is looking for 18+ females for video work. Shoots last between 1.5-2 hours and consist of many different short clips lasting from 5-10 minutes each.

A link to the store will be sent to actress before any commitment or photo needs to be sent. However, please keep in mind this is for an adult video clip store although no nudity or intercourse will be asked of model.

The pay for the shoot is between \$100-\$150 depending on the shoot that is worked out between model and producer. Payment made upon actress signing model release form, showing proof of age and before any video production begins.

This is very laid back, shot from point of view or with camera on tripod so only the actress and producer are present for the shoot. Usually a local hotel agreed upon by both parties is used for the shoot.

Please reply if interested and a link to the store will be sent. If a shot is desired, a photo will need to be sent and from there details of the shoot as well as compensation will be worked out between model and producer.

Serious inquiries only as a budget is worked per month for shoots and it is hard to believe the number of commitments from models that fall through. However, if you are serious, this could be a consistent gig for several.
