

99 Crown Victoria LX Bobby Davidson edition (3000 USD)

Location **Pennsylvania**
<https://www.genclassifieds.com/x-440557-z>

SOLD AS IS this car runs well, starts up right away and can go. The check engine is on and I was told it may need upper ball joints soon the heat works but the AC does not work. It needs a paint job, and the driver seat has huge rips in it and can use new tires. Would be a great car if you willing to put a little bit of money into
