Found male dachshund in Norman (Brookhaven Blvd and Danfield Lane)

Oklahoma Location https://www.genclassifieds.com/x-440586-z

Just found this male dachshund at the north end of Brookhaven Blvd, near Danfield Lane, He's very sweet and came right up to us. He has short white hair with brown spots. Pet license #L15-000795. He was with a small white miniature poodle type pup, but he/she kept running away from us... Please contact if you have any!
